Logging In

To Login:

1. Once on your Club Page,
2. Select Member Login shown by the green arrows on the right.
3. You will see a popup screen requesting your username and password shown by the black arrows.
4. Enter your username and password.
5. Select Save Password if you would like your Password saved.
6. Select Submit.
7. You are now logged in to your Club Page.

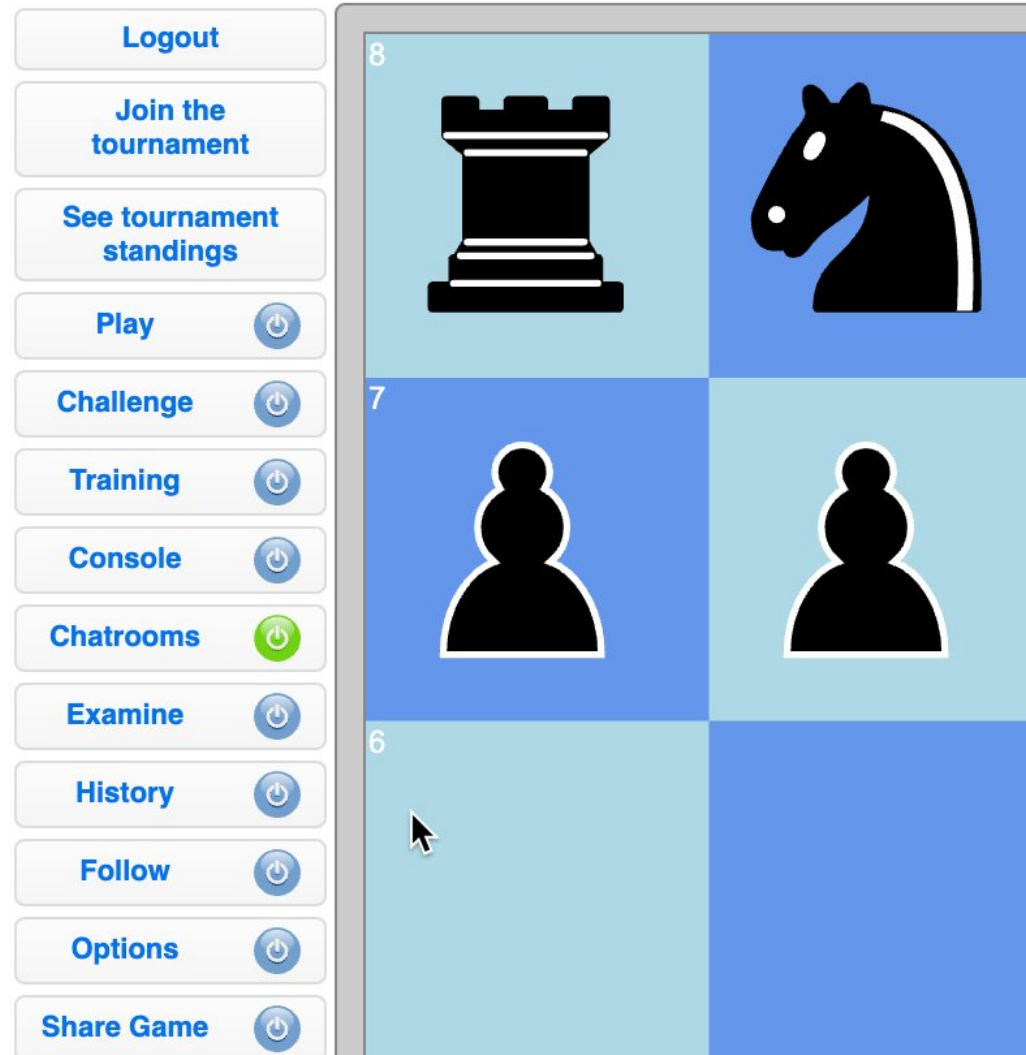

The image shows a web interface for chessclub.com. On the left is a vertical navigation menu with three buttons: 'Member Login', 'Options', and 'Share Game'. Each button has a power icon to its right. A green arrow points to the 'Member Login' button. To the right is a main content area with a blue background and icons for a rook, a knight, a pawn with a plus sign, and a person silhouette. A popup window titled 'Submit your credentials to chessclub.com' is overlaid on the main content. It contains a 'Username' input field, a 'Password' input field, a 'Save password' checkbox, a 'Server' dropdown menu set to 'chessclub.com', and a 'Port' selector with '23' and '5000' options, where '5000' is selected. 'Submit' and 'Close' buttons are at the bottom right of the popup. Two black arrows point to the 'Username' and 'Password' input fields.

Your Club Page

Once logged in, you can:

1. Play a game
2. Join the tournament
3. See tournament standings
4. Post a challenge
5. Examine a game
6. Review your history
7. Follow an Instructor
8. Review your options; board options, email your games, etc.
9. Share your game.

Just select the tab.
